

# DOWNTOWN Bowling Green

## Hello and Welcome to Bowling Green, Missouri!

The Bowling Green Downtown Revitalization Committee is a proud group of area residents organized under our local Chamber of Commerce. The Downtown Revitalization Committee is dedicated to economic development, beautification projects, and events with a focus on the downtown area.

We hope this map helps you enjoy our area and what we have to offer. Our small rural town has exploded with new businesses in recent years and we look forward to having to update this map as much as possible to make room for all the new and exciting businesses coming our way.

Follow us on our facebook page @BGdowntownRevitalization to see what events are going on while you are here and more! We are so glad you decided to stop in for a visit and hope you will come back as we hope to have new, fun, and exciting attractions and things to do in years to come! Also be sure to follow our Chamber of Commerce on facebook to see what specials our businesses have to offer outside of the downtown area @BGChamber, or our shared website at [www.bgchamber.org](http://www.bgchamber.org)

Sincerely,

Tracy Brookshier  
Downtown Revitalization Chairperson  
& Chamber 1st Vice President
