12 Large (3'x3'x3') concrete planters are being placed downtown where our future "Downtown Marketplace" will be (vacant lots next to MASH). They will have large posts installed inside along with dirt and flowers! "Beautify Bowling Green" Banners and hopefully some hanging flower baskets will adorn the posts. We are also thinking of adding some colorful murals to the planters that boast Bowling Green History. We will be offering sponsorship opportunities for businesses to get their logo on some of the banners. \$450 for 4 years. Get your business name as a sponsor now before we run out! We hope to eventually see these all over the city Bowling Green! Thank You to Bowling Green Rotary Club for helping make this project possible!

BEAUTIFY BOWLING GREEN CONCRETE PLANTER SPONSOR FORM

Business Name: _____

Contact Person Name: _____ Phone #: _____

Email: _____

I have enclosed my sponsorship of \$450.00

I have made an additional donation to help with future beautification projects of \$ _____

Sponsorships will be first come, first serve. If your sponsorship is received after all have been filled, you will be refunded your money. We are anticipating to have this project complete by this fall/winter. You will receive confirmation and receipt of your sponsorship and be asked to email your one-color logo. Your 4 year sponsorship will begin as soon as the banners are put up. THANK YOU so much for helping us Revitalize our Downtown! Please mail & make checks payable to: Bowling Green Downtown Revitalization PO Box 315, Bowling Green, MO 63334.
